Biographical Sketch

Biographical Sketch:

Spero M. Manson, Ph.D., (Pembina Chippewa), a medical anthropologist and Distinguished Professor of Psychiatry and Public Health, heads the Centers for American Indian and Alaska Native Health, School of Public Health, Anschutz Medical Center, at the University of Colorado Denver. His programs include 9 national centers, totaling \$65 million in sponsored activities which entail research, program development, and training among 102 Native communities, spanning rural, reservation, urban, and village settings. Dr. Manson has published 160 articles on the assessment, epidemiology, treatment, and prevention of physical, alcohol, drug, as well as mental health problems in this special population. A member of the Institute of Medicine, he has received numerous awards including 3 Distinguished Service Awards from the IHS (1985; 1996; 2004), the prestigious Rema Lapouse Mental Health Epidemiology Award from the APHA (1998), 2 Distinguished Mentor Awards from the Gerontological Society of America (2006; 2007), the Herbert W. Nickens Award from the AAMC (2006), and the George Foster Award for Excellence from the Society for Medical Anthropology (2006).

The table below represents the reported disclosures of significant interests and affiliations for the past full calendar year and the current year to date for Spero Manson.

Dr. Spero Manson has agreed that, from the time of approval through the publication of DSM-V, projected in 2012, (his/her) aggregate annual income derived from industry sources (excluding unrestricted research grants) will not exceed \$10,000 in any calendar year.
