Task Force on DSM-V

### Biographical Sketch

#### Biographical Sketch:

Dr. Walsh, a graduate of Princeton University and Harvard Medical School, joined the staff of Columbia University Medical Center in 1979 and established the Eating Disorders Research Unit at New York State Psychiatric Institute. Dr. Walsh is currently the Ruane Professor of Pediatric Psychopharmacology in the Department of Psychiatry at the College of Physicians and Surgeons, Columbia University, and Director, Division of Clinical Therapeutics, New York State Psychiatric Institute.

Dr. Walsh's research group has examined biological and psychological abnormalities that contribute to the development and perpetuation of disturbances in eating behavior, and investigated both psychological and pharmacological treatments for anorexia nervosa, bulimia nervosa, and binge eating disorder. He was a member of the DSM-IV Task Force and chaired the Eating Disorders Workgroup for DSM-IV. He is a past President of the Academy for Eating Disorders and of the Eating Disorders Research Society.

The table below represents the disclosure for Dr.B Timothy Walsh, MD of significant interests and affiliations for the three years prior to the DSM Task Force or a DSM Work Group member nomination and the period prior to public announcement of his/her appointment. The table also represents the reported disclosures of significant interests and affiliations for the past full calendar year and the current year to date for Dr.B Timothy Walsh, MD.

Dr. B Timothy Walsh, MD has agreed that, from the time of approval through the publication of DSM-V, projected in 2013, (his/her) aggregate annual income derived from industry sources (excluding unrestricted research grants) will not exceed \$10,000 in any calendar year.
