Biographical Sketch

Biographical Sketch:

Chair, Somatic Distress Disorders Work Group

Member, DSM-V Task Force

Professor of Psychiatry, University of California, San Diego

La Jolla, CA

Dr. Dimsdale is Distinguished Professor of Psychiatry Emeritus and Research Professor at University of California, San Diego (UCSD). He is an active research investigator, a former career awardee of the American Heart Association, and past-president of the Academy of Behavioral Medicine Research, the American Psychosomatic Society, and the Society of Behavioral Medicine. Dr. Dimsdale is on numerous editorial boards, editor-in-chief emeritus of Psychosomatic Medicine, and a previous guest editor of Circulation and is a past-chair of the Sleep Research Society's Committee on Research. He has also been a consultant to the President's Commission on Mental Health and to the Institute of Medicine, and he is a long-time peer reviewer for the National Institutes of Health.

Dr. Dimsdale obtained his B.A. degree in biology from Carleton College. He then attended Stanford University, where he obtained a Master's degree in Sociology and his medical degree. He obtained his psychiatric training at Massachusetts General Hospital and then completed a fellowship in psychobiology at the New England Regional Primate Center. He was on the faculty of Harvard Medical School from 1976 until 1985, when he moved to UCSD.

Dr. Dimsdale's major research interests include sympathetic nervous system physiology as it relates to stress, blood pressure, and sleep; cultural factors in illness; and quality of life. He is the author of more than 500 publications as well as the editor of four books.

The table below represents the disclosure for Dr. Joel Edward Dimsdale, MD of significant interests and affiliations for the three years prior to the DSM Task Force or a DSM Work Group member nomination and the period prior to public announcement of his/her appointment. The table also represents the reported disclosures of significant interests and affiliations for the past full calendar year and the current year to date for Dr. Joel Edward Dimsdale, MD.

Dr. Joel Edward Dimsdale, MD has agreed that, from the time of approval through the publication of DSM-V, projected in 2013, (his/her) aggregate annual income derived from industry sources (excluding unrestricted research grants) will not exceed \$10,000 in any calendar year.
