### Task Force:

Task Force on DSM-V

### Biographical Sketch

Dilip V. Jeste, M.D., is Distinguished Professor of Psychiatry and Neurosciences, University of California, San Diego (UCSD) and VA San Diego Healthcare System. He is also the Director of the Advanced Center for Intervention and Services Research at UCSD, funded by the National Institute of Mental Health (NIMH), and of the John A. Hartford Center of Excellence in Geriatric Psychiatry. He is the Principal Investigator on several research and training grants from federal and non-federal sources (including Summer Research Institute in Geriatric Psychiatry, a national research training program). Dr. Jeste has published ten books and over 600 articles in peer-reviewed journals and books. He is a member of the Institute of Medicine of the National Academy of Sciences and was a member of the National Advisory Mental Health Council of the National Institutes of Health. He is the Editor-in-Chief of the American Journal of Geriatric Psychiatry, and has also been on the editorial boards of several journals, including the American Journal of Psychiatry. He is in the ISI list of the "world's most cited authors"--comprising less than 0.5% of all publishing researchers of the last two decades.

The table below represents the disclosure for Dr.Dilip V Jeste, MD of significant interests and affiliations for the three years prior to the DSM Task Force or a DSM Work Group member nomination and the period prior to public announcement of his/her appointment. The table also represents the reported disclosures of significant interests and affiliations for the past full calendar year and the current year to date for Dr.Dilip V Jeste, MD.

Dr. Dilip V Jeste, MD has agreed that, from the time of approval through the publication of DSM-V, projected in 2013, (his/her) aggregate annual income derived from industry sources (excluding unrestricted research grants) will not exceed \$10,000 in any calendar year.
