Biographical Sketch

Biographical Sketch:

Stephen A. Wonderlich, Ph.D., Member, DSM-V Eating Disorder Work Group, Chester Fritz Distinguished University Professor, University of North Dakota School of Medicine & Health Sciences; Director of Clinical Research, Neuropsychiatric Research Institute
Fargo, ND

Dr Wonderlich is the Chester Fritz Distinguished Professor in the Department of Clinical Neuroscience at the University of North Dakota. His research, conducted through the Neuropsychiatric Research Institute, focuses a variety of topics in the eating disorders, including models of etiology, classification and diagnosis, and the development of new treatments. He serves on a number of editorial boards for professional journals and has been the Co-Editor of the Annual Review of Eating Disorders since 2004. In his clinical duties, he serves as Co-Director of the Eating Disorder Institute.

Dr. Wonderlich received his B.A. from Concordia College in Moorhead, MN in 1978 and completed his Ph.D. at the University of Missouri in 1985. He completed his post-doctoral fellowship in the Department of Psychiatry at the University of Wisconsin in Madison in 1987.

The table below represents the reported disclosures of significant interests and affiliations for the past full calendar year and the current year to date for Stephen Wonderlich.

Dr. Stephen Wonderlich has agreed that, from the time of approval through the publication of DSM-V, projected in 2012, (his/her) aggregate annual income derived from industry sources (excluding unrestricted research grants) will not exceed \$10,000 in any calendar year.
