Biographical Sketch

Biographical Sketch:
Chair, Sleep Disorders Work Group
Member, DSM-V Task Force
Professor of Geriatric Psychiatry,
Professor of Psychiatry, Neurology, and Neuroscience
University of Pittsburgh

Dr. Reynolds directs the National Institute of Mental Health–sponsored Advanced Center for Interventions and Services Research in Late-Life Mood Disorders and the John A. Hartford Center of Excellence in Geriatric Psychiatry at the University of Pittsburgh. The themes of his research program encompass the prevention of depression in old age, treatment algorithms for difficult-to-treat mood disorders in later life, and dissemination and implementation of evidence-based practices for depression treatment in underserved populations.

Dr. Reynolds serves as President of the American Foundation for Suicide Prevention (2009-2011) and of the American Association for Geriatric Psychiatry (2009).

The table below represents the disclosure for Dr.Charles F Reynolds M.D. of significant interests and affiliations for the three years prior to the DSM Task Force or a DSM Work Group member nomination and the period prior to public announcement of his/her appointment. The table also represents the reported disclosures of significant interests and affiliations for the past full calendar year and the current year to date for Dr.Charles F Reynolds M.D..

Dr. Charles F Reynolds M.D. has agreed that, from the time of approval through the publication of DSM-V, projected in 2013, (his/her) aggregate annual income derived from industry sources (excluding unrestricted research grants) will not exceed \$10,000 in any calendar year.
