Biographical Sketch:
Marsha D. Marcus, Ph.D.
Member, Eating Disorders Work Group
Professor of Psychiatry and Psychology, Western Psychiatric Institute and Clinic, University of Pittsburgh Medical Center
Pittsburgh, PA

Dr. Marcus is Professor of Psychiatry and Psychology at the University of Pittsburgh, and Chief of the Eating Disorders Program at Western Psychiatric Institute and Clinic, University of Pittsburgh Medical Center. Dr. Marcus' research has focused on the relations among aberrant eating, mood and weight, and health-related behavior change in children and adults. She currently is the principal investigator on a study designed to develop and evaluate a new psychotherapeutic intervention for anorexia nervosa and site principal investigator on a two-site investigation that will assess the utility of cognitive behavior therapy for bulimia nervosa delivered via the internet. Dr. Marcus is on the Editorial Board of the International Journal of Eating Disorders and is a standing member of an NIH Study Section. She is Associate Director of the Pittsburgh Obesity Nutrition Research Center, and is a Past-President of the Academy for Eating Disorders and the Eating Disorder Research Society. Dr. Marcus received her Ph.D. in clinical psychology from the University of Pittsburgh where she was a recipient of a Mellon Fellowship.

The table below represents the reported disclosures of significant interests and affiliations for the past full calendar year and the current year to date for Marsha Marcus.

Dr. Marsha Marcus has agreed that, from the time of approval through the publication of DSM-V, projected in 2012, (his/her) aggregate annual income derived from industry sources (excluding unrestricted research grants) will not exceed \$10,000 in any calendar year.
