Biographical Sketch:
Barbara E. Wolfe, PhD, APRN, FAAN
Member, Eating Disorders Work Group
Professor of Nursing/Associate Dean for Research
Boston College
Chestnut Hill, MA

Dr. Wolfe is Professor of Psychiatric-Mental Health Nursing and the Associate Dean for Research at the William F. Connell School of Nursing at Boston College. She also holds a faculty appointment as Lecturer in Psychiatry, Harvard Medical School and Beth Israel Deaconess Medical Center. Her clinical expertise is in the area of eating disorders, and her research focuses on related biobehavioral correlates and their implications for intervention and relapse prevention. Dr. Wolfe is an editorial board member of the Journal of the American Psychiatric Nurses Association and the Harvard Mental Health Letter. She is a member of the American Academy of Nursing and a Past President of the American Psychiatric Nurses Association. Dr. Wolfe received her bachelor's degree from Syracuse University, her master's degree in Psychiatric-Mental Health Nursing from Yale University, and her doctorate from Boston College.

The table below represents the reported disclosures of significant interests and affiliations for the past full calendar year and the current year to date for Barbara Wolfe.

Dr. Barbara Wolfe has agreed that, from the time of approval through the publication of DSM-V, projected in 2012, (his/her) aggregate annual income derived from industry sources (excluding unrestricted research grants) will not exceed \$10,000 in any calendar year.
