Task Force on DSM-V

Biographical Sketch

Biographical Sketch:

Katharine A. Phillips, M.D.

Chair, Anxiety, Obsessive Compulsive Spectrum, Post-Traumatic, and Dissociative Disorders Work Group

Member, DSM-V Task Force

Professor of Psychiatry and Human Behavior, Rhode Island Hospital and the Alpert Medical School of Brown University
Providence, RI

Dr. Katharine Phillips is Professor of Psychiatry and Human Behavior at the Alpert Medical School of Brown University. Dr. Phillips received her bachelor's degree from Dartmouth College and her medical degree from Dartmouth Medical School. She completed her internship at Dartmouth Medical School and her residency at McLean Hospital/Harvard Medical School.

Much of Dr. Phillips' career has focused on clinical research on body dysmorphic disorder; she has also done research on obsessive compulsive disorder, other anxiety disorders, and personality disorders. Dr. Phillips has received numerous honors and awards for her research and other academic contributions, including a Special Presidential Commendation from the American Psychiatric Association for her research accomplishments. She has been a member and chair of the National Institute of Mental Health's Interventions Research Review Committee (Scientific Review Group). Dr. Phillips is a member of the Editorial Board and Deputy Editor (Books Division) of American Psychiatric Publishing, and she is a member of a number of other editorial boards. Dr. Phillips is also a Fellow of the American College of Neuropsychopharmacology and a member of the American College of Psychiatrists.

Dr. Phillips chaired the committee that produced the gender white paper for the Research Agenda for DSM-V and participated in the DSM-V research planning conference on the obsessive compulsive behavior spectrum. She has been a member and chair of the American Psychiatric Association's Committee on Psychiatric Diagnosis and Assessment and a member of the Council on Research. She co-edited the book *Advancing DSM: Dilemmas in Psychiatric Diagnosis*.

The table below represents the disclosure for Dr. Katharine Phillips M.D. of significant interests and affiliations for the three years prior to the DSM Task Force or a DSM Work Group member nomination and the period prior to public announcement of his/her appointment. The table also represents the reported disclosures of significant interests and affiliations for the past full calendar year and the current year to date for Dr. Katharine Phillips M.D..

Dr. Katharine Phillips M.D. has agreed that, from the time of approval through the publication of DSM-V, projected in 2013, (his/her) aggregate annual income derived from industry sources (excluding unrestricted research grants) will not exceed \$10,000 in any calendar year.
